

Sponsor a name tile at the new Windsor Memorial

Members of the Aber Valley Heritage Group are in the process of replacing a memorial for those who lost their lives and for those who worked at Windsor Colliery in Abertridwr. The current memorial has deteriorated and is unable to be repaired. The new memorial will consist of small ceramic tiles dedicated to those who died during the working life of the colliery. The tiles will line the sides of a tapered hexagonal obelisk.

Proposed tile design

To help fundraise for the new tiles we would like to offer, in the first instance, relatives of those who were killed, then secondly local residents and then to anyone who has an interest in this project, the opportunity to 'sponsor' individual tiles. Each tile will cost £100 to sponsor and will detail the name of the person killed, along with the date of their death and the name of the person who sponsored it.

Applications will be processed giving priority to relatives, then next to local residents, and then everybody else. If on the occasion that all name tiles are sponsored, then an opportunity will be given for sponsors to have their name on a supporters tile on the memorial.

If you are interested and would like to sponsor a tile, please complete the following form and return with £100 to the Aber Valley Heritage Museum no later than ~~30th September 2017~~ **31st MARCH 2023**.

Proposed memorial design General donations are welcome at any time.

Windsor Memorial Tile Sponsorship Application

/We _____ (name) would like to sponsor _____ (number of tiles) at the cost of £100 each.

I am a relative of a miner who lost their life
